

## Application for Suffolk Amnesty Program

The Suffolk Amnesty Program was established to provide a means for United Suffolk Sheep Association or United Junior Suffolk Sheep Association members to catchup on registry work.

Eligibility for Suffolk Amnesty Program:

1. Must be a member in good standing of the USSA or UJSSA

Details of Suffolk Amnesty Program

1. With acceptance into the Suffolk Amnesty Program, registrations are \$10/head for sheep over the age of 1 year old.
2. Enrollment in the Suffolk Amnesty program is limited; flocks are eligible to enroll **once** every 7 years.
3. The Suffolk Amnesty program is intended to assist breeders that have had a multiple-year lapse in registrations. Yearlings do not qualify for the reduced rate unless they are part of a group of applications including older sheep. Regular fees apply to the current year lambs.
4. Program open to Purebred, Percentage and GAP Suffolks.

Upon acceptance to the Suffolk Amnesty Program, flocks can apply for registry using a registration application submitted via Jotform (electronic) mail, email or fax. If a GAP flock is enrolling in the Amnesty program, GAP application and acceptance is also required.

I hereby apply for the inclusion of \_\_\_\_\_ Suffolks for consideration to be registered in the United Suffolk Sheep Association under the provisions of the Amnesty Program. I furthermore certify to the truth and accuracy of the information to be listed on the application for registry for the above noted these sheep.

Please submit this application to the United Suffolk Sheep Association, P.O. Box 121, Holland, IA 50642 or [info@suffolks.org](mailto:info@suffolks.org). You will be contacted by the Association office and a USSA director from your district.

## **Flock Background Information**

1. Briefly explain why these sheep have not been registered recently.
2. Explain the origin of these ewes in your operation, ie: bred and raised them, acquired from family operation, dissolved partnership, etc.
3. Summarize their genetic background: what are their general bloodlines, who have been the breeders of their sires, any prominent individuals in their lineage.
