

# Suffolk Community Grant

Supported by the Hazel & Richard Barth Memorial Fund

The Suffolk Community Grant is a grassroots education and leadership effort. This grant is designed to assist in and support grassroots initiatives that advance Suffolk sheep education and youth leadership development.

**Examples:**

- Organize a lambing school
- Host an intern/complete an internships
- Support state Suffolk educational field days
- Engage breeders in educational tours and outreach events that promote industry knowledge and involvement
- Establish a youth leadership clinic for young Suffolk breeders

*The above are intended to serve as examples, but are not intended to be all inclusive.*

**Eligibility:** open to all current UJSSA or USSA members

**Funding:**

- Provides matching funds grants (overall pool for this grant and various Shepherd Development Grants is \$10,000, grants will awarded until funding pool is exhausted).
- Funds are disbursed upon completion of the approved program and submission of a final report (at the Foundation's discretion, partial funding may be disbursed to cover costs incurred prior to the completion of the program). Matching funds disbursement submission must be submitted within one year of grant application date or 30 days from program completion, whichever is earlier).
- Applications are accepted year-round; however, total annual funding is limited.

**Application Submission:**

Applications should be emailed to [info@suffolks.org](mailto:info@suffolks.org), subject line: Suffolk Community Grant. For questions, please contact the Suffolk Office at 641.684.5291.

Is there a hosting organization or partner of this effort? If yes, please describe.

Who is the target audience?

Describe the educational program or project you plan to offer. Provide any supporting documentation (website, brochure, press release, etc.) or proposed schedule of events.

Where will this educational program be held? How will it be marketed?

Share the goals of this program and potential impact (local, state, regional, national).

How does this educational program support the Suffolk breed or US Sheep Industry?

Complete the following budget worksheet for your proposed educational program. Include all costs

|                             | <b>Estimated \$</b> | <b>Comments/Notes</b> |
|-----------------------------|---------------------|-----------------------|
| <b>Equipment / Supplies</b> |                     |                       |
| <b>Travel Expense</b>       |                     |                       |
| <b>Facility Rental</b>      |                     |                       |
| <b>Speaker Expense</b>      |                     |                       |
| <b>Marketing/Publicity</b>  |                     |                       |
| <b>Total</b>                |                     |                       |

Please use the space below to share any additional information with the selection committee.
