## DIGITAL SUFFOLK

The USSA/UJSSA utilizes an online registry system, Digital Suffolk (www.digitalsuffolk.org). A login and password will be released from Digital Suffolk to the email address provided on this application. Members are encouraged to utilize this tool but not required and can process registry work via mail, email or fax.

With this system, members are given an opt-in/opt-out option for mailing registration certificates. Note, with your access to Digital Suffolk, you can access and print registrations for your Suffolks at any time. More information regarding Digital Suffolk and printing can be found at www.suffolks.org – click “Registration” header.

Please check your preference on mailed registration certificates:

I will print my registration certificates.

USSA print/mail transfers only.

USSA print/mail all registry work.
